Auto-Renewal Program

By enrolling your product(s) in our Automatic Subscription Renewal Program, subscriptions automatically renew at the end of the term without any further action on your part, until you cancel.

The cost of the renewal will be the subscription price in effect at the time of each renewal including applicable sales tax and shipping and handling charges. Subscription renewal prices are subject to increase in the future. Our customary shipping and handling charges will apply to all shipments of tangible subscription products and are invoiced up front; such charges are based on shipping method, location and weight.

Under the Automatic Subscription Renewal Program, you are not required to renew any minimum number of times.

Should you decide for any reason that you no longer wish to be enrolled in the automatic renewal program, or you did not intend to enroll, you may cancel at any time. You can cancel by calling Customer Service at **800-344-3734**, or emailing **CCHCustomerService@wolterskluwer.com**, or contacting me directly. You can also choose not to renew at any time before the invoice is due by returning the invoice marked CANCEL SUBSCRIPTION. Enrolling a subscription product under our automatic renewal

Enrolling a subscription product under our automatic renewal program does not affect our cancellation policy which you can find at: **<http://support.cch.com/Answers>**.

Auto-Renewal Program

By enrolling your product(s) in our Automatic Subscription Renewal Program, subscriptions automatically renew at the end of the term without any further action on your part, until you cancel.

The cost of the renewal will be the subscription price in effect at the time of each renewal including applicable sales tax and shipping and handling charges. Subscription renewal prices are subject to increase in the future. Our customary shipping and handling charges will apply to all shipments of tangible subscription products and are invoiced up front; such charges are based on shipping method, location and weight.

Under the Automatic Subscription Renewal Program, you are not required to renew any minimum number of times.

Should you decide for any reason that you no longer wish to be enrolled in the automatic renewal program, or you did not intend to enroll, you may cancel at any time. You can cancel by calling Customer Service at **800-344-3734**, or emailing **CCHCustomerService@wolterskluwer.com**, or contacting me directly. You can also choose not to renew at any time before the invoice is due by returning the invoice marked CANCEL SUBSCRIPTION. Enrolling a subscription product under our automatic renewal

Enrolling a subscription product under our automatic renewal program does not affect our cancellation policy which you can find at: **<http://support.cch.com/Answers>**.
